Photographer: Jack Russell | Words: Neale McGeever

Hi Jemma, welcome to Elite! Tell us, how would you describe your style? I really like to be edgy, sexy and original... that would sum me up. I Love customising my own clothes !

What was it like to work with Jack on this shoot? I had a really good shoot with Jack, he's ace and captures amazing angles.

What was your favourite part of the shoot? Definitely the last set we did as I love my sexy outfit styled by Becky Holt (the yellow set).

OVERMAN WHEEL CO. MA
CHICOPEE FALLS, MA
A.C. SPALDING & CO.

A woman with dark hair styled in a bun, wearing red lipstick and multiple piercings, is lying on a red leather tufted couch. She has numerous tattoos, including a large colorful design on her upper arm, a skull on her forearm, and a boot on her hip. She is looking towards the camera with a slight smile.

Photographer: Jack Russell | Words: Neale McGeever

Outside of modelling, do you have any other passions? I love horses, shopping and going to the gym. It's so much sexier when a girl spends her time in the gym instead of in makkers! Well I do both haha.

So how can a guy impress you? I love guys with style and confidence, a charmer always impresses me but I need a bit of bad boy too ;)

What's a guaranteed turn on for you? Muscles and tattoos ;)

If you could have one superpower, what would it be? I would have the ability to be invisible. Just think how fun that would be!

A woman with long dark hair and numerous tattoos is posing for a magazine spread. She is leaning against a white railing, looking over her shoulder at the camera. Her tattoos include a large gun on her upper back, a green snake on her lower back, and various designs on her arms and legs. A black banner with the word 'BOOBS' in white text is placed over her chest area.

**WHAT IS THE NAUGHTIEST
THING YOU DO? I LOVE
WATCHING LESBIAN PORN,
AND HAVING THREESOMES!
ONLY WHEN I HAVE A BF
THOUGH...**

Photographer: Jack Russell
Words: Neale McGeever

If you could pick one celebrity to put on a stranded island to never be seen again, who would it be? It would definitely be Jonny Depp, but I would go there with him and disappear too.

What's your favourite rude word? I love the word cunt! There is such meaning and emphasis on the word.

What's the worst idea you have ever had? Continuously booking flights home from Ibiza and keep missing them!

Tell us something about you that people won't know: I have a secret foot fetish, love girls feet with red toe nails.

What would be your ideal night out? A night in Ibiza at Ushuaia with my spicey mates Ollie and Jack from Manchester.

What's your favourite chat up line of all time? I hate them all! I just like a man to be honest and real.

A woman with long dark hair, a black beanie with yellow geometric patterns, and a nose ring is posing outdoors. She is wearing a yellow mesh bikini bottom and a yellow and black striped strap across her chest. She has numerous tattoos, including a large heart on her left arm, a portrait on her right arm, and a heart with roses on her midriff. She is holding a white cloth or towel over her chest. The background is a blurred outdoor setting with greenery and a stone wall.

Finally, is there anything you would like to say to the Elite readers? I hope you've enjoyed this interview, can't wait to tell you more of my saucy secrets in another future issue ;)

Lost Without Leah

Hello my lovelies <3

Firstly, huge apologies for missing last month, I've not been very well and took a month off work to recover. A few of you sent nice tweets, messages and left comments on my Facebook page wishing me well so thank you for that!

Anyway, I'm much better now and back with a bang! I've been working seven days a week working extra hard in order to make up for lost time, so check out my social networking sites for sneak peeks of what I've been up to!

Early July, I'll also be launching my Big Cartel site where you can buy prints, Polaroids etc. to stick on your wall, give to your friends, to basically do whatever you like with – and I'll sign and write cute messages to you with each order. Keep an eye on my Instagram! I'm going to be running a few competitions to win one or two!

Has anyone heard the new Lana Del Rey album? Anyone who follows me will know how in love with her I am and I absolutely love it. I still think my new favourite song by her is West Coast! I'd love to hear your opinions on it, tweet me @leahharrismodel

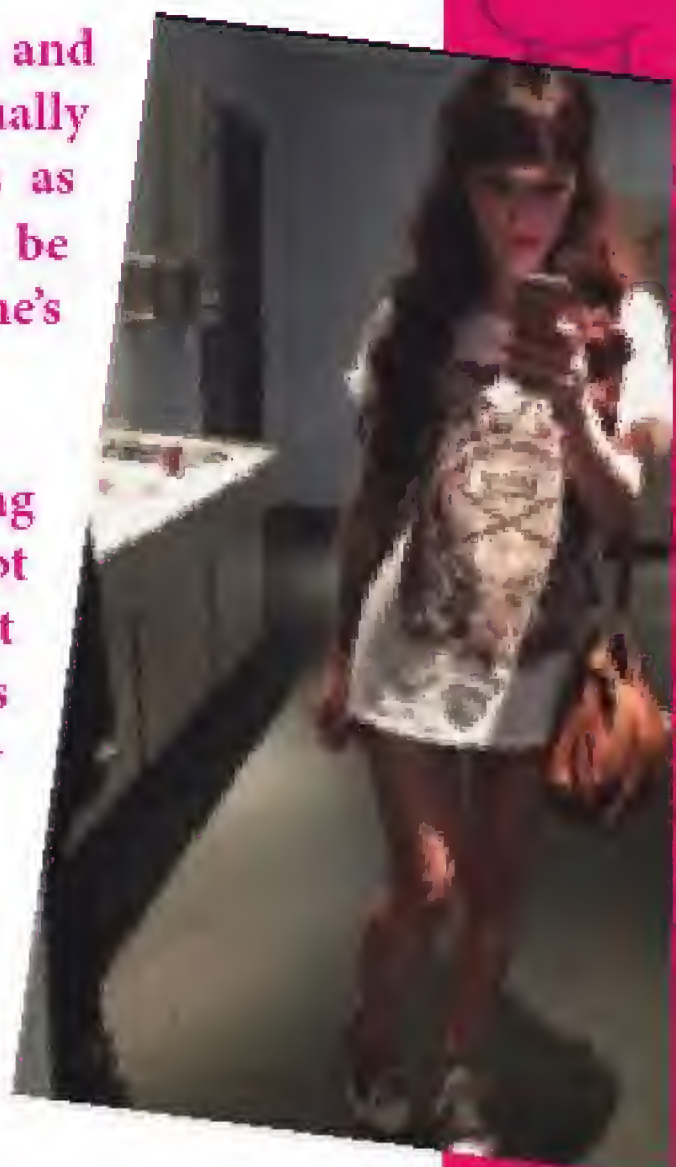

Summer is also well and truly here, it's so nice

to be able to wear booty shorts and short dresses again, I've actually started wearing large t-shirts as dresses now haha, it seems to be going down fairly well! This one's from Small Victory!

I haven't really been doing much else this month except work, make sure you check out my SUPER HOT feature this month with the gorgeous Heffy and amazing Jack Russell!

I'll be at Tokyotattoo in Cheltenham all day on July 18th, so if you're around, come and say hello!

As always, keep checking my Instagram: @leahharrismodel and Facebook: www.facebook.com/leahharrismodel for new stuff! And send me ton of cute emails to read at leah@eliteonlinemag.com – I love hearing from you guys!

Dear Leah, Summer is approaching and my clothes are becoming more revealing, obviously, it's hot! My boyfriend seems to be a bit uptight about this. It started as a few digs, but now he's outright asking me to wear longer shorts. I'm not happy about it but don't want to cause a row, what shall I do?

Crikey, if my fella decided to moan about what I wanted to wear I'd tell him to bog off, and you should too. It isn't up to him to tell you what you can and can't wear; this sort of controlling behaviour is not healthy. He's clearly jealous for some reason, maybe his friends have remarked on your cracking booty, either way tell him to man up, that you love him and you're not going to take that kind of behaviour lying down. Who loves short shorts? We love short shorts.

Dear Leah, I model too, and have become quite

Model: Leah Harris
Photographer Chris Beasley

successful over the past six months. People are recognising my work and causal friends want me to talk about it all the time. But there is one girl in my friendship group who can be really horrible about it. I do glamour as well and she really belittles me over it, telling me I'm not a real model and stuff. It's really upsetting.

You will find this happens a lot as you reach any form of success; I too have had to deal with a similar situation. Your friend is jealous; there is no other reason for this behaviour. She is probably fighting her own insecurities and wouldn't have the guts to model in a shroud let alone in her pants. She'll be jealous of all the attention you are getting from it and upsetting you really isn't on. You can either do one of two things: 1. Talk to her, explain how she's making you feel and ask her to be supportive. 2. Distance yourself from her; she's not much of a friend if she's treating you like that. From my own experience, I distanced myself from my "friend" and filled my friendship circle with friends who were proud of my achievements and would encourage me to reach my goals. As you become even more successful you will find there are a lot of "fake friends" around you, I'd advise you to concentrate on those who will always support you.

DANIELLE MARIE

SHE'S BLONDE, SHE'S WILD & SHE FLASHES

Photographer: Dorian / Words: Niall McGivern

Hi Danielle, welcome to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry:

My best bitch Eve Elle suggested to me that I should start modelling and when she needed someone to model headdresses for her, she called on me to do it and that was my first job. It was just over a year ago and now I'm here <3

How would you describe your style?

I'd say I was a bit of a rock hippy with a nineties twist... If Siouxsie Sioux, Salt 'n' Pepa and Stevie Nicks could make a love child, I would probable be it!

What was it like to work with the photographer on this shoot?

Absolutely amazing! Dekker isn't just one of my favourite photographers, he's also a great friend and I know I'm guaranteed to have a lot of fun with a lot of laughs everytime I work with him!

**WHAT'S A GUARANTEED TURN
ON FOR YOU? STROKING...
GUARANTEED THAT IF YOU
STROKE ME, YOUR PROBABLY
GOING TO GET YOUR OWN WAY
WITH ME EVERYTIME!**

Photographer: Dekker | Words: Neale McGeever

What was your favourite part of the shoot? I honestly couldn't decide between listening to loud music and dancing around like a loon, watching hilarious videos between sets on Youtube or the copious amount of Thai Food and Gin we consumed.

Outside of modelling, do you have any other passions? Dancing and performing have always been my biggest passions in life with the recent additions of Hula Hooping, Poi and flashing my ass at any given opportunity.

If you could be one person for the day, who would you be and why? It would definitely have to be Patti Smith back in the day of CBGB's. I'd love to have experienced what it would have been like to be there and Patti is such an incredible artist!

If you could be in charge of Elite for one week, what would you do? I'd dedicate an entire issue of beautiful girls ass flashing at important and interesting monuments and places around the world!

If you could be a superhero, who would you be and why? I'm always a sucker for the anti-hero so it would definitely have to be Catwoman, not only is she a complete badass but the way she moves and the fact that she wears that catsuit is ridiculously sexy.

Where's the worst place you've been? Definitely festival toilets... I don't think there IS anywhere worse!

What's your favourite film? I can never decide between 10 Things I Hate About You, Vicky Cristina Barcelona and Dazed & Confused.

Do you have any crazy phobias?

When there are gaps in between stairs, I hate seeing through them and I end up all jelly legged holding onto the railings crawling up them. People must think I've lost the plot when they see me on them!

So how can a guy impress you?

Any guy that has lot of drive and a passion for life and the things he loves is definitely going to impress me!

What is the naughtiest thing you do?

Definitely flashing... I've become a bit of a serial boob and ass flasher in public recently, especially when there is a vast amount of alcohol involved!

What's your favourite fancy dress outfit?

A crazy sparkly rainbow unicorn on acid!

Finally, is there anything you would like to say to the Elite readers?

Thank you for all your support and reading my interview... also "Suck on my big fat fruit".

Kimblee Clara
The Blonde Beauty Is Back

Photographer: David Clic | Words: Neale McGeever

Hi Kimblee, welcome back to Elite! Have you missed us? Well hello there, that's a silly question, who wouldn't?!

So what have you been up to since we last saw you? I have been in hiding and whilst doing so I have secured a new job, been on holiday, bought a new car, partied, shopped and pampered... Just doing what most girls love to do along with changing my image a little in the process, I have short hair... I never said I would have short hair now look, I've rebelled and now I'm back!

What was it like to work with David Clic on this shoot? This was my first shoot for over a year and it was brilliant, he is a fantastic photographer and an even greater guy. We have so much fun when we work together and I would recommend him to anyone!

What was your favourite part of the shoot? All of it but if you'd like to be specific drinking milk out of a cat bowl was pretty fun. They say there is a first for everything, that was one of mine along with attempting to drink Coke seductively only to fail and end up as a sticky mess!

**WHAT'S A GUARANTEED
TURN ON FOR YOU? ONE
WORD... BEARDS. I THINK
I HAVE DEVELOPED A
FETISH!**

Tell us... You're getting quite well known for the kiki bum and boobs... what is your personal favourite? I can never decide so I post both... My kiki bum seems to be a favourite with my followers though, maybe you should ask them ;)

I know you're already planning another shoot with us, but what else have you got planed for the future? I'm a very spontaneous woman, I don't plan ahead I take each day as it comes and make the best of it!

If you could work with any model, who would be your choice? Now that is a hard one, there are so many beautiful models around that it has become so hard to choose, maybe we should all just get together and have a gangbang shoot... Just an idea!

What is the best chat up line you've heard? Is there such thing as a good one, they're all terribly bad or extremely cheesy, I always ended up either cringing or laughing.

We love the fact that you're a nerdy girl! What's your favourite computer game? I've just completed Tomb Raider and I loved every ass kicking minute of it, I don't have a particular favourite as I like so many. I do love Skyrim and Saints Row though... they're in my Top 5!

Who would be your ideal housemate? Housemate... If I could choose I'd have a house full of mates, we would all live together... Be naughty, party, make memories and have tons of fun daily!

Finally, is there anything you would like to say to the Elite readers? Thank you for reading and thank you so much to my followers for supporting me, you're the best! Make sure you let me know what you think to my feature on Twitter/Instagram: @Kimbleeclara big kisses to you all, MWAH! <3

Hi Dolly, welcome to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry: I've been living in London for four years and loving it. I started modelling a few years ago when I started getting more tattoos as it gave me more confidence. I like alternative modelling as you have a lot of freedom when it comes to look and style. In my free time I like going out in Soho/Shoreditch, going to parks and going on holiday.

How would you describe your style? Retro/pinup/alternative.

What was it like to work with the photographer on this shoot? It was a really fun and easy going shoot. Rebecca is a brilliant photographer to work with and makes you feel incredibly comfortable.

What was your favourite part of the shoot? It was great to shoot from my home and with the use of natural light.

The Blue Eyed Beauty *Daisy Muller*

Photographer: Tripodski
Words: Neale McGeever

Hi Daisy, welcome to Elite! You're gracing our cover on your debut... how does it feel? I am thrilled with the fact that after such a warm welcome to Elite and such an enjoyable and lovely shoot it has resorted to me being on the cover of the magazine! So to me this is an amazing result!

Tell us a bit about yourself, where you're from and how you got started in the industry: I was born and grew up in Birmingham, UK. I've had a fascination with glamour modelling since I was really young, maybe around as young as 4 years old! Pamela Anderson has always been my idol and inspiration.

How would you describe your style? I have many styles so it's kind of hard to simplify it down to one. I'm a mixture of the eras 70's, 80's and 90's. The detail of their fashion, colours, music... all that inspires and creates an image in my head of which I want to re-enact!

What was it like to work with the photographer on this shoot? I absolutely loved it... Tripodski was the most fun and easiest to work with. I felt comfortable straight away... We had lots of conversation and jokes to laugh at. I was totally at ease... just awesome!

What was your favourite part of the shoot? The first set I did in a hotel room. It was totally up my street and something I've been wanting to do for ages! The pictures came out great which is of course a bonus ;)

**JUNGLE FLOWER TEE
FROM SUPERIOR BELIEF**

Outside of modelling, do you have any other passions? Where do I begin... I'm pretty creative so I love making my own decorative ornaments for around my house! I am also making my own jewelery... Pretty much anything with beads, gold and diamonds (not real ones of course). I have BIG love for music... especially like indie rock/electro.

So how can a guy impress you? I'm a creative girl so I like guys with a talent or an interest other than mine who could teach me new things and inspire me to learn new things and open my mind to other things I never really knew about.

What's your favourite rude word? FOCK obvs! That word you can feel it's affection! 'Oh baby, I FOCKin love you.'

If you could have one superpower, what would it be? A superpower to get all the abused/neglected children and animals in the world and make them better. Oh and a power to make me tanned all year round... whiter teeth also ;)

If you could pick one celebrity to put on a stranded island to never be seen again, who would it be? I would choose RiFF RAFF. Not because I don't like him. Mainly because he's pretty outspoken and is great at catching peoples attention, so I think it would be great to see how he deals with it.

DO? DO I REALLY HAVE TO TELL YOU?!
I'LL TELL YOU SOMETHING NAUGHTY
THOUGH... SHOREDITCH HOUSE (BAR)
AND ME UNDERNEATH THE TABLE ;)
I'LL LET YOU THINK OF WHAT THAT IS.**

What's the worst idea you have ever had? There is one I feel really bad for and I never should have done it. I won't go in to detail but it involves a toy gun and scaring the shit out of everybody on the London tube.

Tell us something about you that people won't know: I'm actually a really nice girl. Ga! Erm I like alternative/folk music and I like to play the banjo :)

What's a guaranteed turn on for you? Good aftershave, manners, humour, talent and ambition all these make the perfect man!

What would be your ideal night out? Always, it would have to be somewhere in the dirty south of the USA. A bar in the middle of nowhere, a live band, beer and me dancing on the tables!

What's your favourite chat up line of all time? Are you from Tennessee? cause you're the only 10 I see ;)

Finally, is there anything you would like to say to the Elite readers? Live and let live. Peace x

Leah & Hefly

Photographer: Jack Russell | Words: Neale McG...

Leah

We love a bit of Leah Harris and here she is back! How the hell is our amazing columnist? And what have you been up to? Hello hotties! I am back indeed! Hope you've all missed me! I'm very well thank you, I've been working hard as always!

How would you describe your style? Shorts and a band t-shirt, this is pretty much all I wear haha. I am girly in the sense I love makeup and my favourite colour is pink, but such a lazy dresser haha!

What was it like to work with Jack on this shoot? I've worked with Jack several times now, I've loved every single shoot! We get on so well, we have a good working relationship but we are also very close friends.

What was it like to work with Heffy? Awh, I've known Heffy years! We've been planning to shoot together for about a year but both of us are so busy so it was great to finally shoot together!

What's your best feature? I'd say my eyes, I think everyone else would say my ass haha!

What was the funniest thing to happen at the shoot? Heffy and I kept giggling, we couldn't do 'intimate sexy' very well at all, so the whole bedroom set was hilarious. Jack was trying to help us get into it so was like 'pretend I'm not here' so we were like 'we'd just be eating pizza if you weren't here!' It was funny haha.

Outside of modelling, do you have any other passions? Live music! I absolutely love going to gigs! I sell merch for a really cool band called Wicked Snakes so I get to go to quite a few! I also love horse riding, it's so theraputic, I don't have the time to ride my horse very much anymore.

So how can a guy impress you? Intelligence is sexy, be clever, have good grades and a good job. I'm a sucker for blue eyes and I love a guy with tattoos. GOOD tattoos though!

**WHAT'S HEFFY'S
BEST FEATURE? HER
BOOBIES! SHE HAS
AMAZING BOOBIES!**

What is the naughtiest thing you've done? Put a cheese pretzel through as a plain white roll at the Tesco self service haha! I'm generally a good girl!

Do you have any tattoos or piercings? I am covered in tattoos haha and planning on adding even more! I have my nose and ears pierced but I'm not into piercings really.

Are you a high heels or trainers girl? Trainers. Definitely. You should come to one of my photoshoots where I have to wear heels, I'm like Bambi on ice haha. I do love wearing heels though, but as my girlfriends are all shorter than me I don't get to very often!

Beards - Yes or No? No no no and no haha. I really hate beards, it makes kissing less enjoyable!

What's the worst idea you have ever had? Everytime I tan my legs and wear shorts - then it goes and pours with rain and I look like a brown and white dalmatian!

Finally, is there anything you would like to say to the Elite readers? I love you all loads, keep reading my column and sending me lovely emails, I wouldn't be where I am without you guys and I am eternally appreciative <3

Photographer: Jack Russell | Words: Neale McGeever

WHO WOULD BE YOUR IDEAL HOUSEMATE?
LANA DEL REY, SHE COULD FUCK ME AND
THEN SEND ME TO SLEEP.

Heffy

Hi Heffy, welcome back to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry: I am from the little town of Rugeley! There's not a lot going on here. I was scouted by an agency when I was 14 and gave it up when I was 16 to focus on my career and then was approached by photographers again at 19. I have had a break from modeling untill recently but I'm excited to be back!

How would you describe your style? XXL t-shirts as dresses/booty shorts and crop tops!

What was it like to work with Jack on this shoot? It's always a pleasure, we have a good laugh and a chat and he always provides good company and snacks <3

What was it like to work with Leah? I love Leah. We have been friends out of modeling for years and we were talking about shooting together for so long, we were just so busy and didnt get round to it! I'm so glad we did and especially with Jack, working with a great friend is just so much fun!

What's Leah's best feature? Ass Ass Ass, and them eyes and that face and basically everything...

What's your best feature? Since I have stopped marathon training I have put on some weight and I now have a butt and thighs, so I'm feeling pretty good right now :D As for my best feature who knows, I'll let you decide!

What was the funniest thing to happen at the shoot? There was lots of funnies! I love Leah and Jack and I always have a good time with both so when we were all together it was awesome! I was even bullied into wearing a pig mask!

Outside of modelling, do you have any other passions? Snowboarding, running, partying, malibu, skateboarding, hc shows :) all the good shit!

Do you have any tattoos or piercings? Yes! I have a nose ring and a few tattoos. I always said I would never have any but I keep planning more and more!

Beards - Yes or No? If they're short, I'm not into the big bushy beard hype!

What's the worst idea you have ever had? Running down the stairs with no bra on... Not even kidding.

Finally, is there anything you would like to say to the Elite readers? Stay sexy <3 Heffy x

Photographer: Tripodski
Words: Neale McGeever

Hi Amber, how are you today? Awesome thanks!

Did you enjoy your shoot with Elite Online? Yeah it was fun, we had a laugh and put some good tunes on so I really got into it.

Where else might we have seen you? All over! I model for Xtreme Playpen, and have been in Front magazine. Also I do lots of fashion and pinup modelling, so you may have seen me about.

Have you always wanted to be a model? No! When I was little I wanted to be a mermaid, but that didn't work out so I took a new career path.

Who is your inspiration as a model and performer? My favourite model is Sabina Kelley, the American pinup and alt model. She has some lush tattoos and I've always admired her style. I don't have a favourite performer but I do take inspiration from so many girls on the burlesque scene, there are so many talented hard working girls with amazing creative ideas.

You are a burlesque dancer as well, what got you in to performing? I've always danced and performed but I got into burlesque when I was about 18. I saw a documentary about it and I was always into vintage styling so it just seemed perfect. I joined The Headline Honeys a couple of years ago; we are a burlesque troupe based in the North East.

How would you describe your style? My style is kind of a mixture of eras. Some days I dress retro 50s pin up, some days I dress quite sixties. My friends call my style 'ghetto pinup' because when I'm feeling casual I'll wear my trainers and hoops earrings with red lipstick and a headscarf!

BOOBS

Photographer: Tripodski
Words: Neale McGeever

WHAT DO YOU CONSIDER A BIG
TURN OFF? THE TYPICAL 'LADS'
WHO ALL LOOK THE SAME,
THINK THE SAME AND WEAR
THE SAME STUFF. I MUCH
PREFER AN INTELLIGENT GUY
WHO HAS A BIT OF HIS OWN
STYLE GOING ON.

What kind of guys/girls are you in to? I don't have a particular type really, tattoos and a decent torso help! Haha! To be honest I much prefer someone who is a good laugh and doesn't take themselves too seriously.

Do you have a celebrity crush? I absolutely love Joseph Gordon Levitt and Dougie Poynter from Mcfly. They have that really awkward kookiness going on. I find that really sexy. Katy Perry is my celebrity girl crush, do I really need to explain why?

What would you say is your best feature? It sounds weird but I'd say my teeth! I'm obsessed with brushing them and keeping them white. I've never had a filling! I'm dead proud of that! Haha!

A little birdy told me your boobies might be bigger than last time we saw you, is this true? Yes, haha! I had them enlarged in March so this is my first shoot getting them out.

So what's better: boobs or bum? I already had a big bum so didn't need to buy one of those! I'm much more of a boob fan myself. I've always been fascinated by them.

You have quite a few tattoos, which is your favourite? Probably my Matryoshka doll on my thigh. I designed her very specifically.

Are you getting more? Yes, I'm making plans for my back and for a half sleeve.

If we were to get you a drink, what would you ask for? It depends on my mood, if I'm feeling classy and it's before midnight then I'll have a gin and tonic. Any other time you'll find me with a can of Red Stripe in my hand!

Do you prefer gigs or clubs? Gigs, the atmosphere is always better at gigs! But saying that I do love going out to clubs.

Favourite gig? Definitely Blink 182 at Leeds festival in 2010.

Favourite take away? Pizza! The more cheese and garlic sauce the better.

What makes a perfect night in? Getting in my duvet, watching movies, and ordering pizza. It always makes it more fun if there's someone in the duvet with me of course.

Finally - Top 5 booty shaking tunes:

1. Drop it like it's Hot – Snoop Dogg feat. Pharrell
2. Cherry Pie - Warrant
3. Pour Some Sugar On Me- Def Leppard
4. Hot in Herre - Nelly
5. Bootylicious – Destiny's child

I never wanted to be a model before, or never thought I had the right look! I just thought it was all about fake tits and blonde hair! All good things come to an end though :(so we split and I started gettin interest in my look, had my first shoot an it bloomed from there! :)

How would you describe your style? I have many styles but right now I'd say a very cat like, witchy, siren look haha.

Photographer: Kitty KEMS | Words: Neale McGeever

What was it like to work with the photographer on this shoot? Kitty is lush I love her <3 she's one of my good friends and I met her on a shoot. She's such a good photographer, with good direction and a good eye for an awesome image!

What was your favourite part of the shoot? Probably laughing at my burger nips when putting on my nipple covers haha!

Outside of modelling, do you have any other passions? I love travelling and seeing beautiful places <3 I have my doggy Ace, friends, family and my boyfriend Dom. I love having a giggle and a dance and of course getting tattooed!

If you could be in charge of Elite for one week, what would you do? Haha I'd draw willys over everything, take loads of selfies and put pics up of my dog. Carnage!

If you could be a superhero, who would you be and why? Cat woman. Need I say more?!

Where's the worst place you've been? In work. As in the day time job! Eugh!

What's your favourite film? I have a lot of favs! But best fav ever is True Romance <3 I'm a big romantic!

So how can a guy impress you? Make me laugh. Biggest thing!

What is the naughtiest thing you do? I'm never naughty! :D unless it's blaming farts on the dog? Haha.

What's a guaranteed turn on for you? A good guy :)

What's your favourite fancy dress outfit? I have a playboy bunny outfit but when I wear it I'm always a zombie :D or my Elvira outfit!

Photographer: Jack Russell | Words: Neale McGeever

Hi, welcome to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry: Hey, I'm from Liverpool and I got spotted by local photographer who just asked if I would like to shoot. I thought it would be fun so went ahead with it... I'm all still relatively new to the industry so I'm learning as I go along.

How would you describe your style? Ginger and a little crazy... I don't think I have a particular style as yet, but working with Jack we covered loads of bases and he managed to get loads of different looks from me.

What was it like to work with Jack on this shoot? I'm quite laid-back and easy-going, so working with Jack was brilliant because that's exactly how he is. I have got a broad scouse accent, and Jack is as posh as fuck so we had communication difficulties to start with, but he has started to learn to speak fluent scouse for when we work together again.

What was your favourite part of the shoot? I've worked with Jack a couple of times, it's definitely the banter, and how relaxed he makes you feel. Sometimes it's like he's not even shooting you, but the photos are amazing.

Outside of modelling, do you have any other passions? Drawing, painting, music. I'm an artsy nerd.

What's a guaranteed turn on for you? Biting or kissing my neck ;)

What's your favourite fancy dress outfit? I don't really do fancy dress but I've always wanted to be Poison Ivy haha.

**IF YOU COULD BE A
SUPERHERO, WHO
WOULD YOU BE AND
WHY? CATWOMAN,
SHE'S HOT.**

Photographer: Jack Russell | Words: Neale McGeever

BOOBS

If you could be one person for the day, who would you be and why? I don't think I'd want to be anyone, I'm quite happy in my own skin haha.

If you could be in charge of Elite for one week, what would you do? Hold a huge barbecue and party for the models and photographers... Probably in the Caribbean or somewhere warm.

Where's the worst place you've been? You've been to Liverpool right?

What's your favourite film? Pretty Woman has always been my favourite... hopeless romantic.

Do you have any crazy phobias? Cheese graters haha. Childhood trauma.

So how can a guy impress you? By being himself, making me laugh and having respect for me.

What is the naughtiest thing you do? That would be telling now.

Photographer: Jack Russell | Words: Neale McGeever

Finally, is there anything you would like to say to the Elite readers? Thank you for having me in your awesome magazine. Hopefully you'll love the work me and Jack did this time around I hope to see you all again soon. Kisses and ginger dust x

Jessica Green

Photographer: Tripodski | Words: Neale McGeever

Hi Jessica, welcome to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry: A friend of mine entered me into a modelling competition for a calendar. I thought she was crazy and I didn't think anything would come of it but I ended up being invited for a test shoot and from that I was picked which came as a big shock and since then I haven't stopped I love it.

How would you describe your style? On a day to day basis I think I'm pretty casual and will be happy in jeans and a cute t-shirt. I think a lot of my friends would say I'm very girly though and I love nothing more than getting dressed up and looking sexy. I'm pretty pint sized, so I can't live without my heels.

What was it like to work with the photographer on this shoot? It was great we had lots of fun and it was really relaxed. I had worked with him a few times before so we got on really well. I had recently taken a little time off so I was pretty nervous to start for this shoot but once we started it was like riding a bike and so much fun.

**WHAT WAS YOUR
FAVOURITE PART OF THE
SHOOT?** MY FAVOURITE
PART WAS PICKING
DIFFERENT OUTFITS TO
WEAR, I LOVE TO PLAY
DRESS UP.

If you could be one person for the day, who would you be and why? Karen Brady – I think she's awesome. She's glamorous and successful and spends her day bossing boys around and they all do as there told. I want her job.

If you could be in charge of Elite for one week, what would you do? I would get all my friends in and we would switch it around and do a full shoot with a load of hot male models.

If you could be a superhero, who would you be and why? Easy – I would be Wonder Woman. She's hot and she rocks. I think I would make a pretty awesome Wonder Woman.

What's your favourite film? It's so silly but I totally love A Muppets Christmas Carol haha! I could watch it all year round, I think I know every word and I have watched it so much... plus I love Christmas!

Do you have any crazy phobias? I'm a bit of a wimp when it comes to the dark unless I have someone to cuddle up next too.

So how can a guy impress you? If he can make me laugh that's always a good start. I really like a guy who's romantic and I'm not talking big romantic gestures. I think it's the little things that count the most.

What is the naughtiest thing you do? For a girl I think I have a pretty high sex drive. If I'm dating a guy I like to surprise them by turning up in a sexy outfit or sometimes nothing, which is pretty naughty, although it can't be that naughty... I haven't had any complaints yet.

What's a guaranteed turn on for you? I really like it if I can see a guy has made an effort getting ready for me and looks really hot. It makes me feel good knowing he's made that effort for me and it can be a pretty big turn on.

What's your favourite fancy dress outfit? I have a little police woman outfit which is pretty sexy. I feel silly trying to be all bossy in it but it's fun and I love to dress up.

Finally, is there anything you would like to say to the Elite readers? I hope you like the images and hopefully I will see you again soon x

Roxy Love

Hi Roxy, welcome to Elite! Tell us a bit about yourself, where you're from and how you got started in the industry: Hey Elite, I'm Roxy from Bedfordshire and I work as a trainee tattooist. I got into modelling by chance really. It was 4 years ago when I was out of work, I saw a advert on Gumtree for Lingerie Models £30 per hour for 3 hours work! I was crazy not to do it. The photographer was amazed I had never done any modelling before and lined up some more work for me and the rest is history.

**WHATS A GUARANTEED
TURN ON FOR YOU? THE
SMELL OF JOOP, AND THE
"V" ON A GUYS HIPS.**

How would you describe your style? I would say my style is Glam-up (Glamour/Pin-up). I love vintage and pin-up styling and lingerie, you can have so much fun with it and find you can twist a lot of genres with a touch of pin-up.

What was it like to work with the photographer on this shoot? I love working with Darryl he's a awesome photographer! This shoot was a joint shoot with another photographer and a huge team of creatives and models in a mansion in Northamptonshire. Believe it or not the theme of the shoot was Alt History - Steampunk and big Victorian dresses! I have worked with Darryl a few times now and his work just gets better everytime.

What was your favourite part of the shoot? We had a team of 8 models on the shoot but I must say getting to meet one of my favourite models Masubi, was the highlight of the day. Oh and getting to eat lots of cupcakes!

Outside of modelling, do you have any other passions? When I'm not in my gladrags, I spend my time at home with my doggies, I've just had 8 puppies and it's madness! I'm also business partner with Pinupzania so also at different expos and events.

If you could be in charge of Elite for one week, what would you do? First of all have a huge Elite boat party. Secondly, I would do a boyfriend section where featured models send in pictures of their sexy men. Lastly, I think the world needs Elite TV or a TV show.

If you could be a superhero, who would you be and why? I would be raven/mystique from X-Men... The power to become anyone is just awesome!

Photographer: Darryl J Dennis | MUA: Charley Payne | Hair: Lillie Rose-Cox

WHATS YOUR
FAVOURITE
FANCY DRESS
OUTFIT?
A LATEX
SUPERGIRL.

Where's the worst place youve been? A location shoot, it was meant to be the hottest day of the year, but typically it was windy and raining with cow poo everywhere! But who said being a model was glamorous?

Whats your favourite film? Can I only pick one? Lego Movie.

So how can a guy impress you? I have a boyfriend and we have been together for 5 years. He's a tattooed, bearded gym freak so I don't need anyone else <3

Finally, is there anything you would like to say to the Elite readers? Thanks for having me, and I hope you enjoy this issue of Elite. I look forward to working with Elite more in the future.
